Sherry Thomas-Cloud, MSW, LMSW, former Director, Kalamazoo County Dept. of Human Services; former Executive Director, National Council on Alcoholism and Drug Dependence of MI. Now part-time faculty for WMU School of Social Work and Interdisciplinary Health Services, Sherry will use a segment of the PBS video series “Unnatural Causes” to expand understanding and facilitate discussion on relationship-centered action strategies.

Participants will:

- Expand their understanding of socioeconomic and racial/ethnic inequities in health;
- Understand how well-being is NOT just a matter of making good choices & access to care;
- Better see how health inequities have consequences for all in our society;
- Look “upstream”, beyond “repair shop” model to preventive approaches;
- Reflect on and discuss strategies for “upstream” approaches, both within our organizations and in collaboration with community partners.

Continuing education contact hours may be awarded for nurses.

Attendance is required for the entire presentation. Completion/submission of an evaluation form is required to receive a contact hour certificate.
