Cost: \$25.00 Undergrad Students \$10.00

Sharie Falan, PhD, RN-BC, CPHIMS, Associate Director, WMU Center for Health Information Technology Advancement and Assistant Professor. Dr. Falan's research focuses on the use of health information and technologies in the promotion of health care quality and outcomes.

Juanita Manning-Walsh, PhD, RN, Associate Professor, Western Michigan Univ., where her research is focused on spirituality, especially as it relates to connectedness.

Objectives:

- Describe current facilitators and barriers to the use of health information management (HIM) tools & self-care
- Identify self-care needs of population groups; how HIM systems & Relationship-Centered Care (RCC) can help
- Evaluate a case study on how RCC and health information technology can make a difference in outcomes
- Apply the HIM Needs Assessment to people in your family and community

This course is approved by the MI Social Work Continuing Education Collaborative AS WELL AS 1.5 CE hours for nurses.
Attendance required for entire presentation. Completion/submission of an evaluation form is required to receive contact hour certificate.
